Hockey

Our hockey camps combine on-ice skill development, with off-ice hockey specific skill development, followed by a fun game to keep your kids excited and enticed to come back and learn more the following day! Our beginner and intermediate hockey camps are perfect for players looking to challenge their skills in order to move onto a higher level. Full gear, CSA approved helmet and stick is mandatory.

Biking A/B

Our biking camps emphasize biking basics: braking, steering, road safety, and other skills required to ensure enjoyable and safe riding. Riders will explore UBC campus, visiting parks, and later in the week venturing into Pacific Spirit Regional Park trails. Off bike group games in the park or forest will be included each day. Note: a well-maintained bike and helmet are mandatory equipment for this camp. Bike Hike A requires at least 10 hours of riding experience without training wheels. Bike Hike B requires at least 20 hours riding experience.
