

# UBC RECREATION CAMPS

## POPULAR PAIRINGS Summer 2017

### Mini World Cup (Morning)

Experience World Cup spirit and the excitement shared all over the world in one of our most popular programs! Soccer: Mini World Cup is an opportunity for kids to get their first taste of international-style friendly competition. Camp participants are divided into teams, each representing a different country. Each Friday this camp ends with our Mini-World Cup celebration, including a parade with team flags, games, and an awards ceremony! Parents, relatives and friends are invited to come out and join in the festivities. Emphasis is placed on sportsmanship, basic soccer skills (passing, dribbling, etc.), and an overall love for the sport.

### **Storm the Campus - Exploring Nature (Afternoon)**

Explore all that the outdoors has to offer in Storm the Campus: Exploring Nature! Through both outdoor attractions such as UBC Botanical Gardens or UBC Farm, as well as through interactive museum experiences at Beatty Biodiversity and Pacific Museum of Earth, this camp is designed to encourage children's connection to the outdoors and their exploration of nature's diversity. Campers will learn through play and guided observation more about bug and insect habitats, rocks and fossils, oceans and forests. Come explore the beautiful West Coast with us!

### **Storm the Campus - Game Play (Afternoon)**

We invite you to spend the afternoon playing a diverse assortment of group games, designed to encourage enjoyment of physical activity, and further support social skills and physical literacy. Storm the Campus: Game Play will support younger audiences in learning and following game play rules, and how campers can both include others and 'lose/win' fairly. Through playground games such as Red Light, Green Light or Duck Duck Goose, as well as classic park challenges, such as three legged races and egg and spoon relays, this afternoon camp is full of energy!
