Multisport Superstars

Experience a variety of sports, games, and fun activities in Multisport: Superstars Spectacular! Our goal is to teach young children some specialized sports skills, with a major focus being placed on increasing fundamental motor skills, teamwork, fair play, and sportsmanship. Instructors will assist children to better understand safe play, while working to show how different activities affect their bodies health and wellbeing. Children will be guided through cooperative drills and games to support skill development, in addition to small sports scrimmages. If your child has previous experience at camp, or participating in other sport-based programming, you may want to consider All Star Sport Sampler.
