

UBC RECREATION CAMPS

POPULAR PAIRINGS Summer 2017

Multisport: Fabulous Five Sport Experience

This camp is a great opportunity for participants to be exposed to some of the most popular School Sports in British Columbia. Our experienced, enthusiastic instructors will create a schedule that incorporates basketball, soccer, track & field, touch rugby and badminton. Each day will have a different focus, with sport specific instruction and game-play situations making for a stimulating and challenging learning environment. Staff will help campers set personal fitness goals for the week, creating a space that encourages varying abilities and differences in sport to be respected. There will be the opportunity for campers to design their own warm-up and cool down drills. Participants will be separated into groups depending on numbers, age and skill level.

Program Area	Multisport	
Camp Name	All Star Sport Sampler	Fabulous Five Sport Experience
Week	Ages 7-9	Ages 10-12

Lego Design Robotics

Our Lego Design Robotics camp will stretch your child's imagination, as we help bring their creations to life through this basic introduction to coding. Help your child develop their ability to communicate ideas through project design and problem solving. LEGO robotics supports campers in translating abstract concept into tangible masterpieces! Participants will work with LEGO's educational product line and Scratch programming software.
